

ART & DESIGN

Pupil year: **Upper 3 (Yr 7)**

Head of Department: **Mrs Z Vingoe**

SUBJECT OVERVIEW

The focus of the Upper 3 Art & Design course is to develop students' imaginative and creative abilities. They will develop their skills using a variety of media in both 2D and 3D. There is an emphasis on developing their direct observational drawing skills. All projects engage students in analysing their own and others' work and reflecting on their progress and achievement.

Subject / Topic

'Party Time', imaginative painted composition

'My Imaginary Creature', glazed 3D ceramic sculpture

'Landscape/Cityscape', mixed-media work

Skills / Attitudes

Party Time

- Learn how to compose an image and mix and apply paint

My Imaginary Creature

- Learn and apply clay modeling and glazing skills

Landscape/City Scape

- Refer to a range of artists' work to develop ideas for a final mixed media piece

Skills that apply to all projects include:

- Study the work of artists related to each project
- Analyse their own and others' work
- Research, select, develop and plan own ideas as preparatory work
- Refine composition/final ideas
- Produce informed and refined 2D/3D outcome
- Review, reflect and evaluate their own work
