

THE MAYNARD SCHOOL
JUNIOR SCHOOL

The Maynard Junior School caters for girls aged from 7 - 11 years old (Years 3 - 6).

Housed in its own building within the main school campus, the Junior School is very much a part of the Maynard family.

We provide a happy, secure and lively environment where each young girl will flourish, and foster individuality, confidence and enthusiasm.

Should you choose our school for your daughter, you will soon see the difference that a girls-only education can provide. As soon as you cross the threshold you will notice that the atmosphere here is different from other types of school that you will have visited.

You will notice the warmth of the welcome and the enthusiasm of our students to engage with you. You will notice the atmosphere of enjoyment as well as diligence in the classrooms, where a sense of inclusion and compassion underlies all that we do.

But most importantly, you will notice that our students are still playing as children, free from the pressure to conform to stereotypes as can happen elsewhere.

We are a small school where every child's individuality and unique talents can shine through and where the other girls here are right behind you all the way!

Equally, we are also a school that provides rigour and challenge for all of our students and where achievements are high.

Most subjects are delivered by the class teacher with specialist staff teaching Music, PE, Science and Modern Languages, which include French from Year 3, with Spanish or German introduced in Year 6.

Alongside this, there are opportunities for girls to develop a rich mixture of skills including those in Drama, Art, Computing, Food & Nutrition, Sport and Textiles.

Each term, we aim to support and enliven our classroom provision through trips to the excellent local facilities, such as the Saxon Roundhouse on Dartmoor, the @Bristol Science Centre and the Outdoor Education Centre at Exeter Quay.

“The contribution of curricular and extra-curricular provision is excellent. The curriculum is broad and challenging across the whole school, covering the key areas of expressive, creative and scientific subjects and provides pupils with an excellent foundation from Junior School through to Sixth Form.”

Independent Schools Inspectorate 2016

In Year 6, the girls begin their transition to the Senior School. Whilst they will remain with one class teacher for much of the time, they receive more specialist input from Senior School staff.

They are also given special privileges and carry extra responsibilities as befitting pupils at the top of their Junior career.

The Junior School day runs from 8.40am to 3.50pm and we also offer supervised before school care from 8am and after school care until 5.30pm for those that require it (at no additional charge).

08.00	Junior School opens; girls are supervised in the Junior Hall until registration
08.40	Registration
10.10	Morning break
12.05	Lunch
13.40	Afternoon school begins
15.50	School Day ends; after school care begins
17.30	After school care ends

Our girls participate in many team sports, including netball, hockey, rounders and basketball, but we also foster individual pursuits such as tennis, gymnastics and dance with the hope of encouraging exercise for health as much as for competition.

Music and the Creative Arts are at the heart of our school, with most girls studying at least one musical instrument and with plenty of opportunities to perform or just to share their interest.

The girls also have the chance to take part in public speaking, art, cookery, drama or book clubs, amongst many others.

We firmly believe that our students achieve excellent results in all that they do because they are happy at school. The small size of the Maynard as well as its single-sex nature, allow our girls to be just that - girls!
