

CONSULTING ENGINEERS

Simpson Associates are currently recruiting for an A-level leaver to work from our Exeter office.

You will need a strong maths background with a minimum of Grade B at A-Level. You must have a keen interest in CAD and a desire to progress a career in engineering.

For the right candidate a 5-year day release bachelor's degree course will be provided with all university fees paid for.

This is a permanent position and you will have the opportunity to take on a varied workload and be involved in all aspects of projects from scheme design through to construction on site.

Have a look at the Portfolio page on the company website for examples of our recent projects.

The role is offered for summer 2019 commencement with a competitive starting salary. This is an excellent opportunity to build a career in a growing civil and structural engineering practice.

If you would like to apply, please send your CV and a covering letter to: gareth.jane@simpsoneng.com
