

# 11+ AND 13+ MAYNARD AWARD APPLICATION FORM

## WHAT ARE THE MAYNARD AWARDS?

...because talent is spread evenly throughout society but opportunity is not.

The Maynard Award programme is an initiative which mirrors the strong ethos of The Maynard School – that an excellent education should be available to the most talented and gifted girls, regardless of household income. These are awarded at the Headmistress's discretion with the aim of providing greater access this leading independent girls' school in the South West.

These awards will be available to girls who can demonstrate outstanding academic and extracurricular achievements which would further enhance our vibrant community, exemplifying the ethos of our school.

The Maynard Awards can provide significant reduction in school fees and are given based on two criteria:

- A strong academic ability enhanced by other extra-curricular talents.
- Eligibility for a Means Tested Bursary which is based on total family income and calculated by the Finance Office.

## WHO CAN APPLY?

Maynard Awards are available for girls wishing to join the school in September. If your daughter can demonstrate academic, sporting or creative excellence and you would like to apply for a Maynard Award, please complete the form overleaf in conjunction with the Maynard School Registration Form and Bursary Form and return to the Admissions Office.

Maynard Awards selection will be based on an interview and candidates are encouraged to put together a portfolio to illustrate their achievements to date.

Your daughter will be invited to attend our Entrance Assessment morning in January. Her performance in this assessment will be part of the award criteria.

Although we have set dates each January, Entrance Assessments can be arranged all year round, and Maynard Awards can be offered throughout the year at the Headmistress's discretion, depending on availability.
