

SIXTH FORM ACADEMIC SCHOLARSHIP

The **Sixth Form Academic Scholarships** recognise academic excellence and celebrate individual achievement. In line with the School's vision, Academic Scholars will demonstrate academic excellence, and will have high aspirations for their future. They will also, through a full contribution to the school community and beyond, exhibit strong social responsibility. Scholarships are reviewed annually.

An Academic Scholarship is worth 10% remission against school tuition fees.

Eligibility: Internal and external candidates entering the Lower 6 (Year 12) are eligible to apply. The awards take effect from the beginning of the Autumn Term of the Lower 6, and are expected to continue through to the Upper 6 (Year 13).

Candidates should supply a CV, detail their aspirations in a short personal statement, and give a 10-minute presentation on a topic of academic interest (ICT facilities are available by prior request). This will then be followed by a brief discussion with the Headmistress and Head of Sixth Form on their chosen subject area, as well as on their aspirations, commitment to school and extra-curricular activities in addition to current achievements. Students' predicted GCSE grades will also be taken into account during the selection process.
