

11+ AND 13+ SCHOLARSHIPS AND AWARDS FOR EXTERNAL CANDIDATES 2023-24

SCHOLARSHIPS

Scholarships are worth 10% of tuition fees and are awarded to top performing students. Scholars must make an outstanding contribution to the school in their chosen area and be all-round good ambassadors.

Selection for an 11+ or 13+ Academic Scholarship will be purely based on the Entrance Assessment.

Further 11+ and 13+ Scholarships are available to external candidates for Sport, Music, Drama and Art. Please apply for these by completing the relevant Scholarship Application Forms. Candidates may only apply for one extra-curricular Scholarship.

For Sport, Music, Drama and Art, selection will be based on an interview and, where relevant, an audition. Candidates are encouraged to put together a portfolio to illustrate their achievements to date.

Because talent is spread evenly throughout society but opportunity is not.

The Maynard Award programme is an initiative which mirrors the strong ethos of The Maynard School – that an excellent education should be available to the most talented and gifted girls, regardless of household income. Awards are made at the Head's discretion, with the aim of providing greater access to this leading independent girls' school in the South West.

These awards will be available to girls who can demonstrate outstanding academic and extracurricular achievements, which would further enhance our vibrant community, exemplifying the ethos of our school.

The Maynard Awards can provide significant reductions in school fees and are given based on two criteria:

- A strong academic ability enhanced by other extra-curricular talents.
- Eligibility for a means tested bursary which is based on total family income and calculated by the Finance Office.

If your daughter would benefit from the educational experience at the Maynard School, but your family is not in a position to cover the full fees, she may well be eligible for a Maynard Award.

BURSARIES

The Maynard offers means tested bursaries which can be stand alone or applied for in conjunction with a scholarship or Maynard Award. If you are applying for a Maynard Award you must also complete a bursary application as this is an integral part of the process.

Means tested bursaries can provide a fee remission of up to 45%.

MATCH FUNDING SIBLING DISCOUNT

If your daughter would like to attend the Maynard School and a sibling attends an alternative independent school, we will match fund the sibling discount offered.
