

TRAVEL & TRANSPORT GUIDE

FROM SEPTEMBER

2022

Welcome

Dear Parents,

Thank you for taking the time to look at our School Bus Service guide, which is our second such guide for pupils at The Maynard School and Exeter School.

Following feedback from parents and drivers, we have made a number of slight amendments to the routes for September 2022; the Axminster service will now include West Hill to provide pupils in Ottery St Mary and Axminster the ability to use an earlier or later service. Similarly, the Okehampton service will now depart at the earlier time of 16:10, but pupils are able to use the Dunsford Service departing at 17:10 travelling as far as Crockenwell.

We have produced this guide to provide an overview of the proposed school transport network, and to provide further details, including timetable, frequently asked questions and fare information.

We are delighted to be continuing our partnership with Vectare, a specialist school transport management company. Vectare are responsible for over 2.5 million school journeys per annum. Vectare will manage all aspects of the school's minibus service, and any enquiries can be directed to their team at exetermaynard@vectare.co.uk.

All bookings for school routes are made via our online booking system, which can be viewed at exetermaynard.vectare.co.uk. Payment for the service is made at the time of booking and your child's name will automatically be added to the bus register.

All of our routes are operated using our own in-house drivers and minibuses, or partner operators. Drivers are DBS checked and regularly undertake appropriate training to ensure the safety of the pupils travelling.

We hope that you are able to find a travel solution that works for you and your children. If you need any further assistance, or you would like to discuss travel options from areas not currently served by our school minibus network, please get in touch with Vectare, who will be pleased to assist you.

Yours faithfully,

Five Star Service

All vehicles are modern and are operated by either the schools or high quality bus and coach operators. This means that all our vehicles are regularly maintained to the highest standard, giving you peace of mind that your child is travelling in safety.

Wherever possible, we use dedicated drivers who work on the same route every day. These drivers get to know the pupils and are subject to an enhanced disclosure and barring service (DBS) check and all necessary training.

We offer a range of different tickets on our School Bus Service. From a single fare for a one-off journey through to return passes for the entire academic year, there are options for everyone's travel arrangements. You can book travel at any time throughout the year, so it is simple to book an extra journey or arrange travel for a visiting friend.

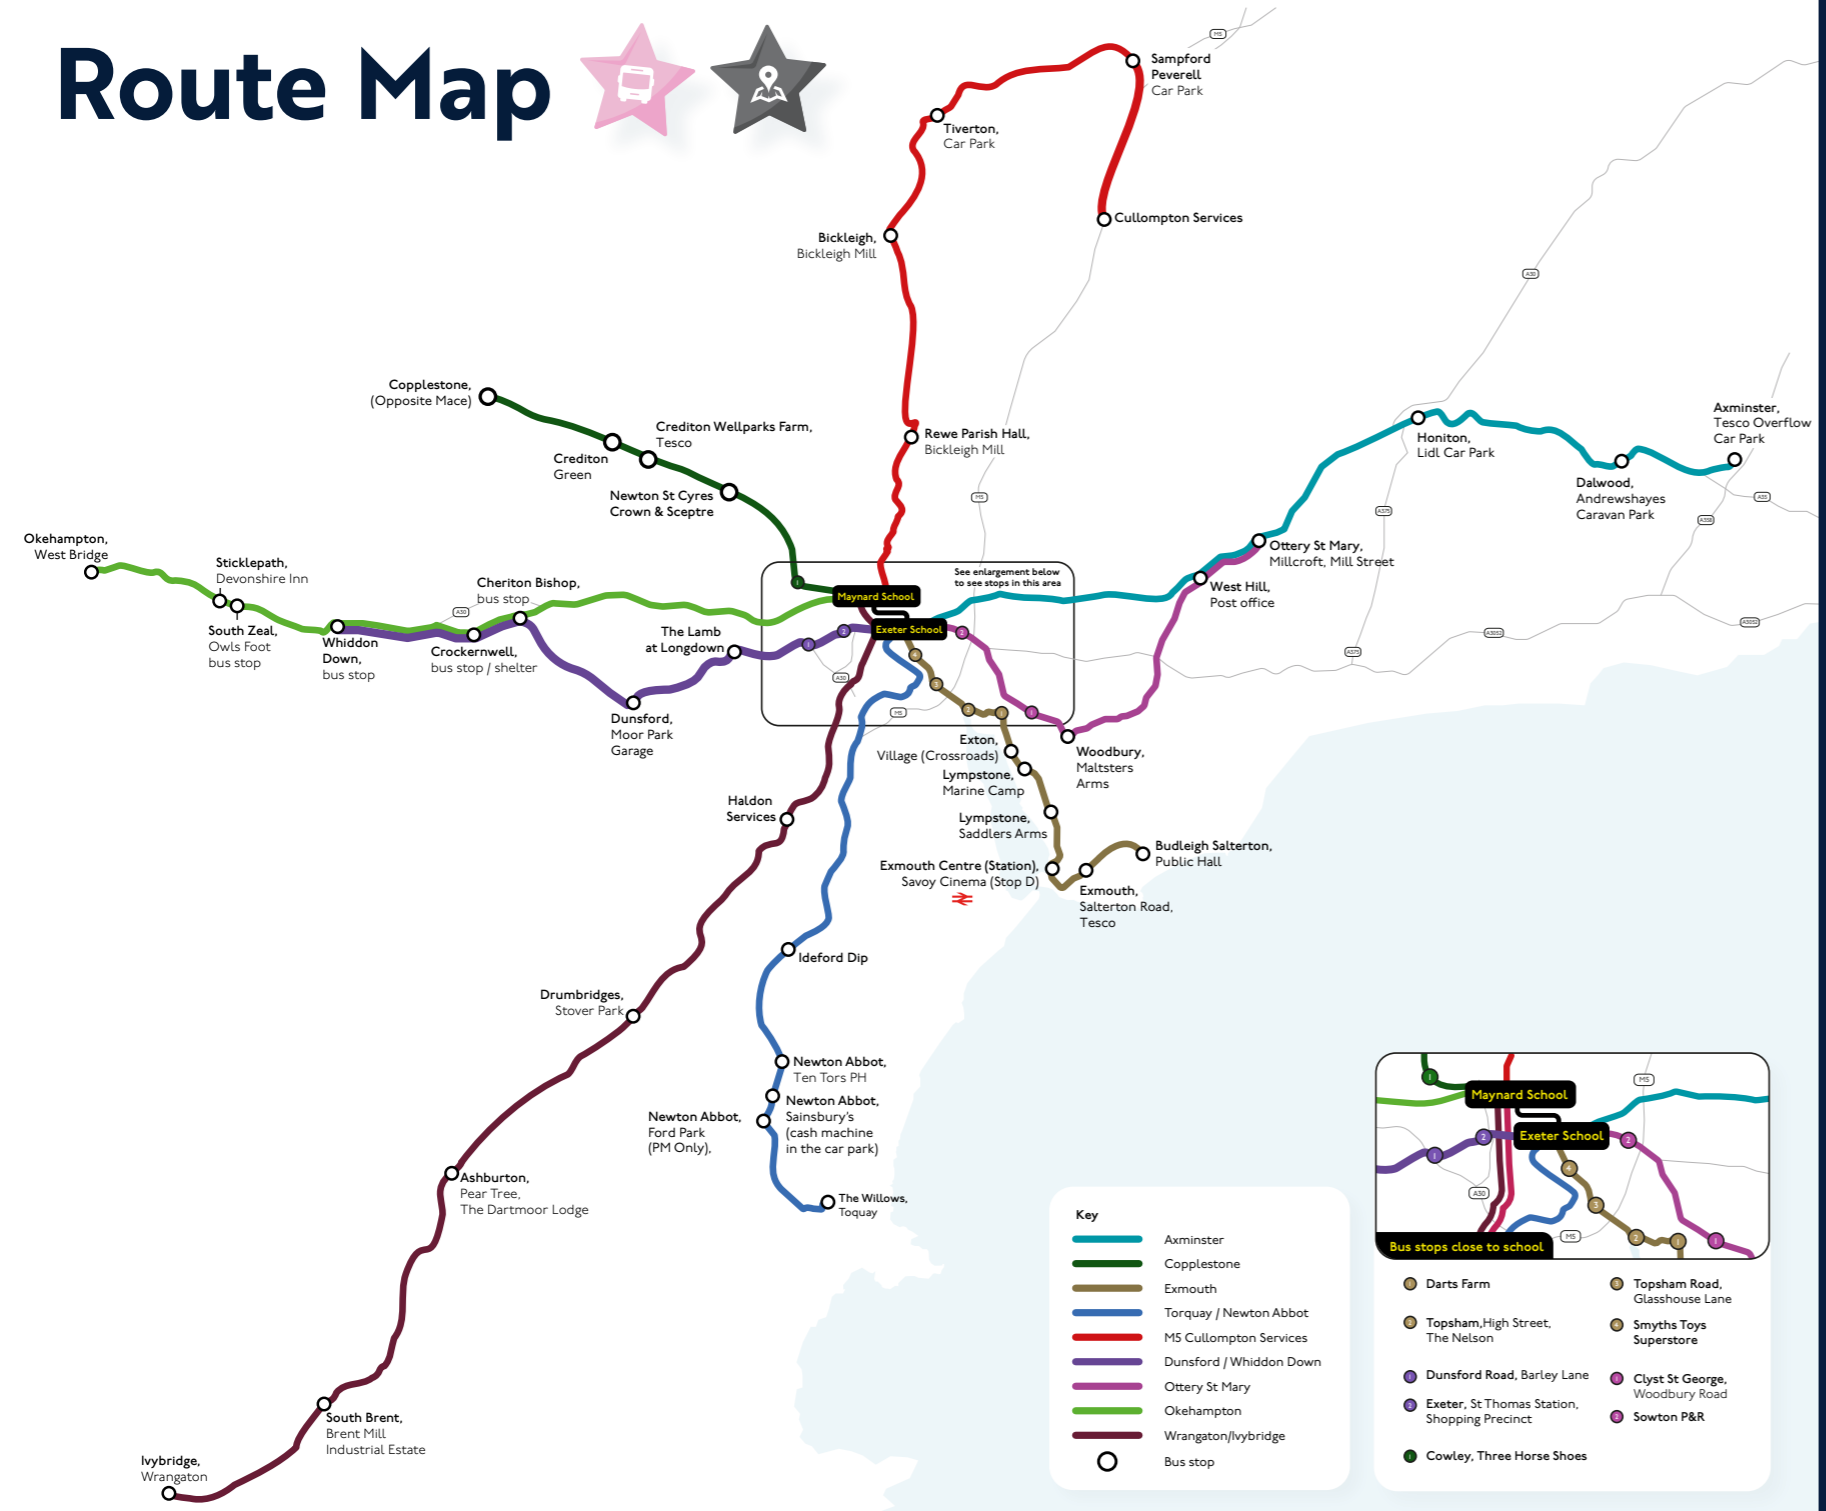

We will be operating eight routes that cover a large area surrounding the school. We want to offer you a travel solution that works for you and your child, so we will be welcoming feedback from both current and prospective parents to help us develop our transport network over time.

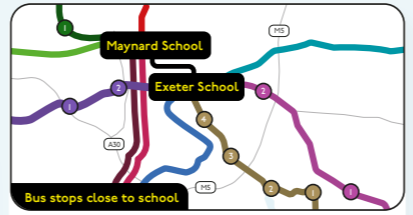

It takes less than 30 seconds to find your nearest bus stop online, and booking takes only a few minutes, so all of the information you need to arrange travel for your child really is at your fingertips. To find your nearest stop or to book your child's travel visit exetermaynard.vectare.co.uk.

- This agreement is made between all those who travel on the School Bus Service, their parents and Exeter School / The Maynard School in order to provide safe, comfortable and civilised journeys for all passengers.
- Arrangements for pupils' journeys to and from school are the responsibility of their parents. To assist with discharging this responsibility, Exeter School / The Maynard School provides a School Bus Service.
- Transport on the School Bus Service must be arranged in advance and paid for via the online booking system.
- Bookings on the School Bus Service are non-refundable in the event of a pupil failing to travel.
- Bookings are to be made online via the online booking system at exetermaynard.vectare.co.uk.
- Each pupil for whom an online booking has been made will be added to a passenger manifest detailing the service they travel on, their bus stop and what travel has been paid for.
- It is the parents' responsibility to inform Vectare, via the [Contact Us](#) form on the website, if they no longer wish for their child to use the School Bus Service. One full term's notice must be given by a parent prior to the removal of a pupil from the School Bus Service or a reduction in the number of journeys made per week by a pupil.
- If you wish for your child to use the School Bus Service on an ad hoc basis, or to vary the details of their travel as a one-off, you should book travel via the website. A charge is levied based on the zone that the passenger boards/alights in.
- No pupil is permitted to travel on the School Bus Service if they are not pre-booked for the bus that they wish to travel on, as they will not necessarily be insured to travel. Other arrangements for journeys to and from school must be made by them or their parents.

- Except when embarking or disembarking, or when asked to move to a different seat in accordance with condition 14, all passengers must remain seated with their seatbelts fastened correctly.
- Whilst on a school bus, all passengers must accept without question the authority of a member of Exeter School / The Maynard School staff, transport company official, or school prefect, who may require them to obey any reasonable instruction such as to pick up litter, desist from certain actions or to move to a different seat.
- Failure to comply with these conditions may result in disciplinary action, including temporary or permanent withdrawal of permission to use the School Bus Service.
- Exeter School / The Maynard School aims for 95% of journeys to operate within the industry window of tolerance of one minute early to five minutes late, however timings may vary due to traffic conditions or unforeseen circumstances. Drivers will not wait past the scheduled departure time at any bus stop.
