

Accountancy apprenticeships for school leavers

We'll support you every step of the way to becoming a qualified accountant

Our training is second to none. We'll support you and give you the building blocks to succeed and progress your career. And when you need help or advice, no issue is too small. We'll be there.

Over three years, you'll study for the Association of Accounting Technicians (AAT) professional qualification. We'll fully fund your training and professional qualifications and you'll be earning from day one.

With us you'll find an exceptionally friendly and welcoming culture. Here you'll not only build a brilliant career, but you'll make new friends and enjoy an active social life too.

We're the largest independent chartered accountancy firm in the South West - big enough to give you a huge range of experience and career opportunities but small enough to care.

“Before I finished school, I knew I was interested in studying accounting and finance, but I didn’t really want to go to university, so I started to look at apprenticeships. The firm has been extremely supportive as I undertake my qualifications. The flexible working policy is fantastic, and really helps when needing to study for my exams. For me, I think working with great people is what makes me enjoy my job so much.”

Amelia AAT Trainee Accountant

We are looking for:

- Grade 4-9 or C or above in GCSE Maths and English
- Minimum of 112 UCAS points (obtained from three A Levels or equivalent excluding general studies)
- A passion for business and accountancy
- A sense of fun and a desire to succeed

If this sounds like you, apply now.

At PKF Francis Clark you’ll realise your career potential and work with the best clients in a people-centred and successful business. Apply now to join the team.
