For September 2024 Entry

SCHOLARSHIPS, AWARDS AND FEES ASSISTANCE FOR 2024 ENTRY

The Maynard offers a number of scholarships, awards and bursarial support to girls entering our Sixth Form.

Scholarships may be combined with a means-tested bursary to provide potentially significant fee reductions (depending on household income) and applications for both must be made by Friday 5th January 2024.

Equally, for external applicants, we do also offer two free places into the Sixth Form via the Maynard Award Programme. This is initiative aimed exclusively at making an excellent education more accessible regardless of household income.

SCHOLARSHIPS

We offer a range of scholarships to reflect academic, sporting, musical or creative talent. All scholarships are awarded on merit and are worth 10% of the tuition fees.

External candidates for scholarships must be registered in order to apply. A Registration Form and a Scholarship Application Form can be found on our website: www.maynard.co.uk

Talented **internal candidates** from our Upper 5 are also encouraged to apply if they don't already hold a scholarship in that specialty.

To be a Scholar brings with it important responsibilities, and we expect our Sixth Form award holders to:

- Enhance and enrich the school community and its daily life.
- Show dedication and commitment in the area in which they have won an award, without detracting from their capacity to be involved in other aspects of the school.
- Act as role models for their peers and encourage others to aspire to excellence.

ADDITIONAL INFORMATION

16+ internal and external candidates can apply for up to two of the following scholarships: Academic, Art, Drama, Music, Sport.

Please note, students can only hold a maximum of any two scholarships (including academic) throughout their time in the Maynard Sixth Form.

APPLICATION DEADLINES

Sixth Form Academic, Art, Drama, Music and Sport scholarship application forms (external and internal candidates) should be submitted by **Friday 5th January 2024**.

ASSESSMENT DATES

Sixth Form Scholarship (Academic, Art, Drama, Music and Sport) & Maynard Award interviews will take place on either **Tuesday 16th January (4-6pm)** or on **Thursday 18th January (4-6pm)**.

Please note, all external candidates applying for a place in our Sixth Form (whether with or without a scholarship) will be called to interview with the Head and Head of Sixth Form on either of these dates.

BURSARIES

If your daughter would benefit from the educational experience at the Maynard School but your family is not in a position to cover the full fees, she may be eligible for a means-tested bursary. A bursary is calculated by the Finance Office and can account for up to a 45% reduction in fees depending on parental income. As a general guide, a family with a combined income of over £50,000 is unlikely to be considered.

Bursaries can be awarded in conjunction with scholarships. Families may write to the School Business Manager (bursarsoffice@maynard.co.uk) to be considered for bursarial support once your daughter is registered. Applicants will be asked to submit evidence of income and other financial information. This will be reviewed annually and will continue through your daughter's time at the school, including in the Sixth Form.

Means-test forms will need to be submitted to the Business Manager no later than **FRIDAY 5TH JANUARY 2024**.

CONGRATULATIONS!

MAYNARD AWARDS

MAYNARD AWARDS

The Maynard Award Programme is an initiative aimed at making an excellent education more accessible, regardless of household income. It is designed purely for talented girls whose family is not in a position to cover the full fees.

In addition, to all the usual scholarships and bursaries available, students looking to join our Lower 6 (Year 12) in September 2024 can apply for a Maynard Award (a combination of scholarship & bursary) which can potentially be worth up to **100% of the school fees**. Year-on-year, we offer a minimum of **two fully funded places** into our Lower Sixth.

They are allocated at the discretion of the Head, primarily for **academic ability** (but enhanced by other talents such as art, drama, music, sport), and are combined with a **means-tested bursary** based on total family income of less than £50,000.

We are an inclusive school and we hope that the Maynard Awards will open up many doors and provide opportunities to those who had previously ruled out the school because of financial circumstances.

WHO CAN APPLY

Only external students interested in joining the Maynard Sixth Form can apply for a Maynard Award. You must be able to demonstrate excellent academic and, preferably, exceptional extracurricular achievements to be considered for a Maynard Award.

HOW TO APPLY

To apply for a Maynard Award, you will need to complete the Sixth Form Registration Form and the Maynard Award Application Form on our website (under 'Admissions'). Additionally, you will also need to submit a Bursary Application Form which can be obtained from the School Business Manager (bursarsoffice@maynard.co.uk).

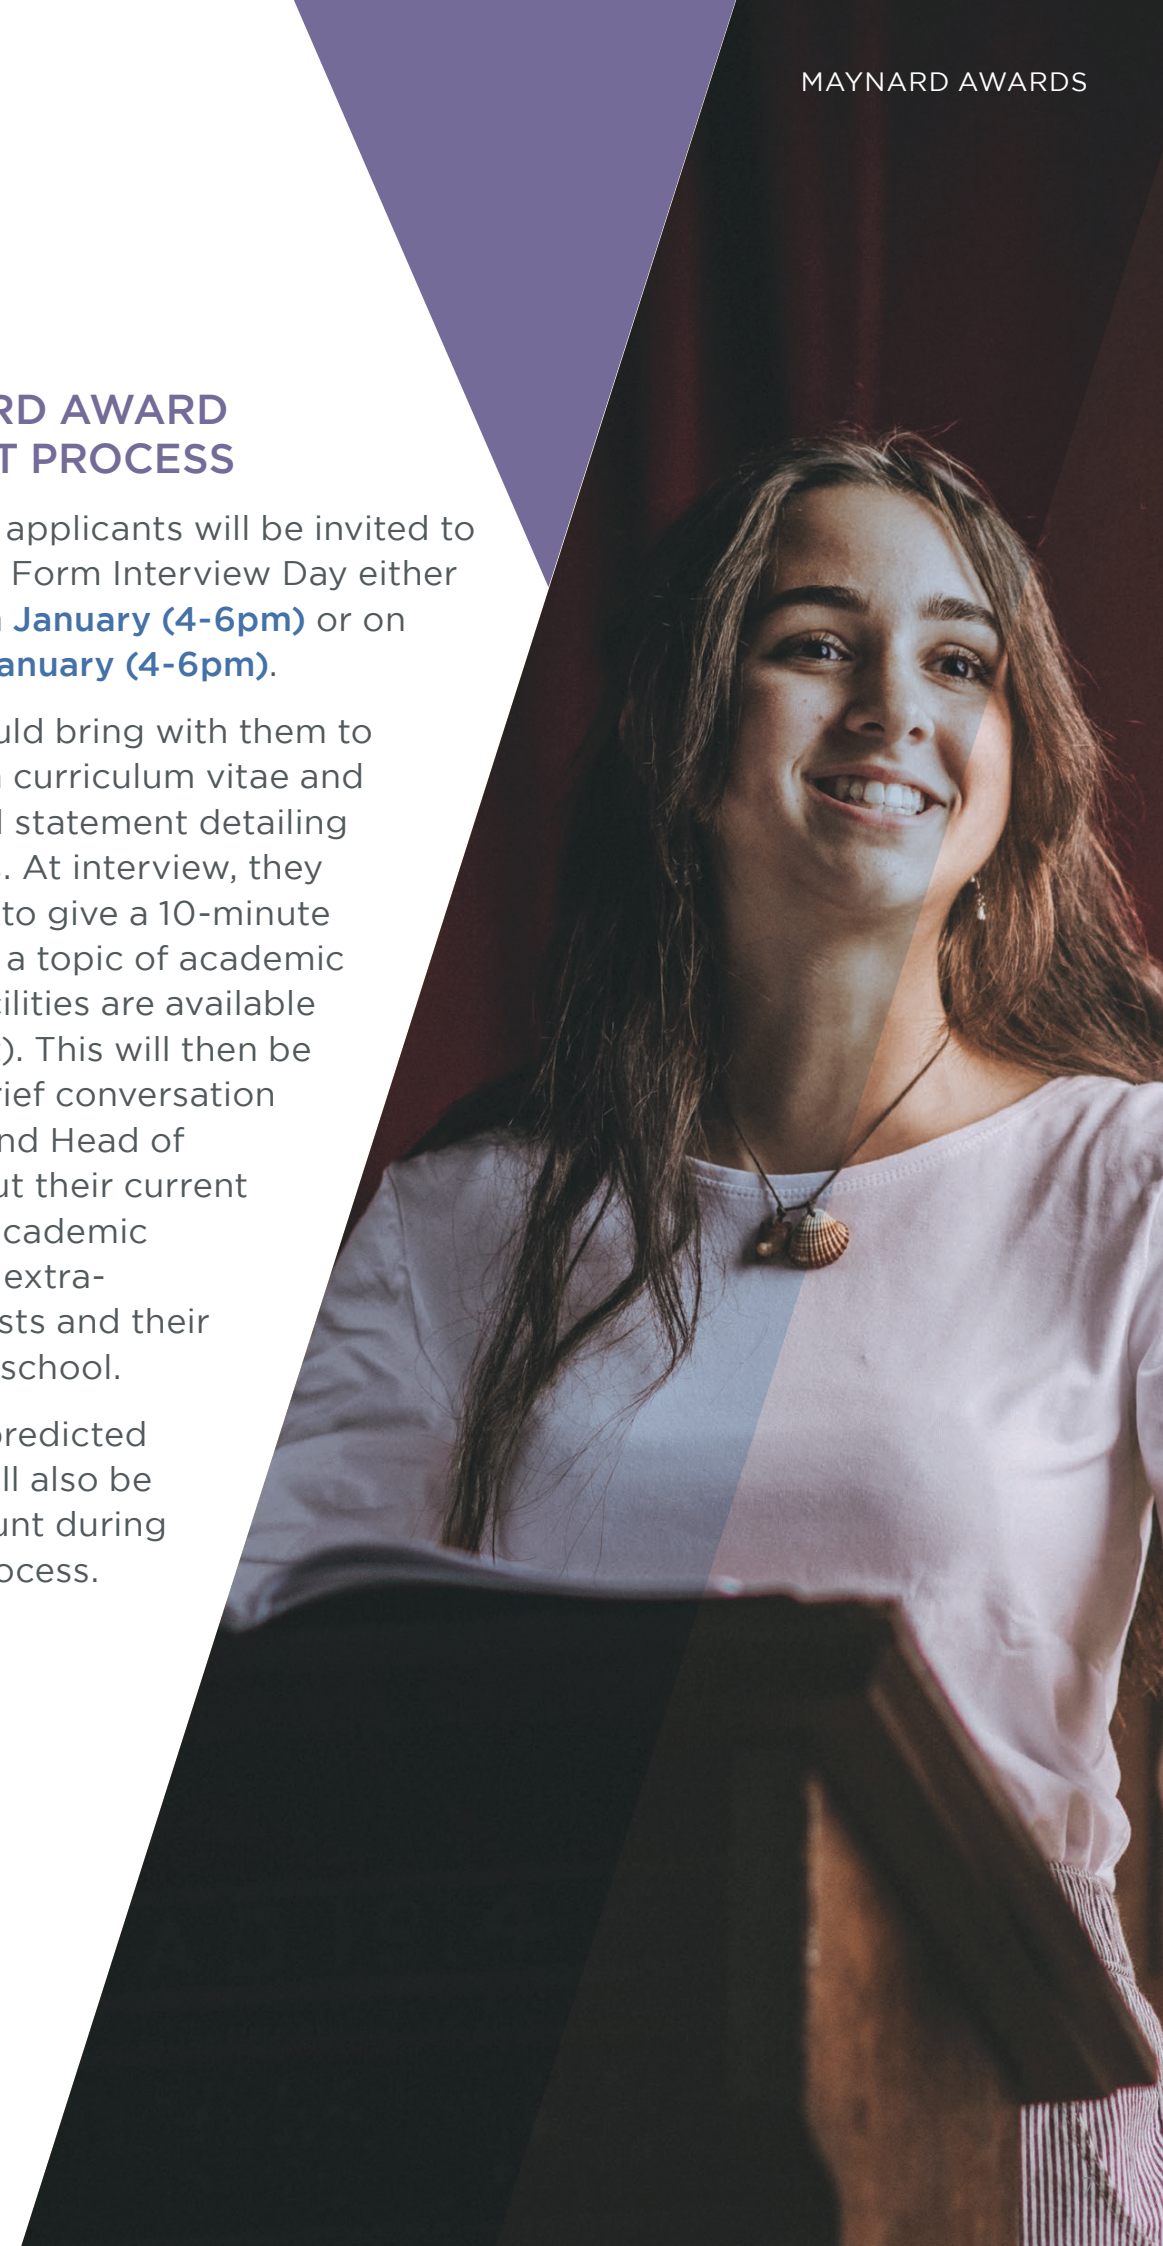

All forms must be received by **Friday 5th January 2024**.
