

# RESULTS & UNIVERSITY DESTINATIONS

2023-25

“We were particularly struck by the individual focus and attention teachers were able to give each member of the class”

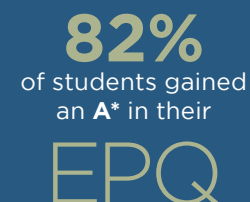

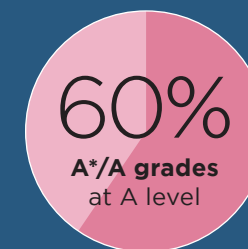

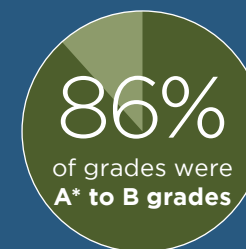

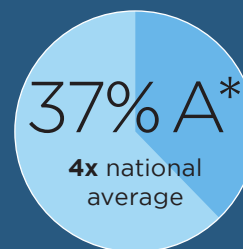

GOOD SCHOOL'S GUIDE 2023

# BEST A-LEVEL RESULTS 2025

**BEST PERFORMING INDEPENDENT SCHOOL  
IN DEVON**

**SUNDAY TIMES  
INDEPENDENT SECONDARY SCHOOL  
OF THE YEAR SOUTH WEST**

12% of the cohort achieved straight A\*s in all their subjects

43% achieved an A\* in physics – around 4x the national average

*Did you know?*

Here at The Maynard, we are proven to be able to improve your A-level predictions by as much as **one whole grade**. And that's what allows the Department for Education to officially deem us as **'above average'** for value added.

“Joining the Sixth Form definitely helped me to achieve results far beyond what I initially thought I was capable of and I can wholeheartedly say that, without the teachers at The Maynard, I most likely would not be studying at my dream university right now.”
